

Smart Solutions Customized For You

COMPANY PROFILE

AKRO, is a professional exporter, distributor and general trading company with its dynamic and experienced team. It is located in Izmir, Turkey which has the second biggest export port of the country.

Our team with more than 20 years experience guarantees you smart packaging solutions that add value to your brand and company.

AKRO's solid experience guarantees constant quality, quick response, optimal pricing strategies, fast and reliable delivery. The proof of this is our long-term relationships with many customers, who appreciate the benefits of a competent partner.

Key benefits:

- ✓ *Constant Quality*
- ✓ *Quick Response*
- ✓ *Flexible Pricing*
- ✓ *Short Delivery Times*
- ✓ *Wide Range of Products*
- ✓ *Customized Solutions*
- ✓ *Collaborative Communication*

We believe in dialogue and brainstorming - discussing your particular needs with you to reach optimal solutions.

AKRO supplies a broad range of products for different industries and stands for high quality service and consultancy, with short time deliveries, flexible pricing strategies and collaborative communication.

Through years of effort in the field of packaging, printing inks and food ingredients since 1998, we have established a high standard operation system to secure on time delivery and product quality. You can be assured of receiving competitive prices and efficient service with optimal solutions.

Packaging Products

AKRO PACK creates smart packaging solutions that reinforce the product and brand message. We manufacture packaging with flexoprint or rotogravure with up to 11 colours.

We help our customers to choose the optimal solution of size, material, printing and finish with professional consultancy. Our commitment to efficient, environmentally aware manufacturing together with our high capacity and service level enables us to offer customers this extensive range of products.

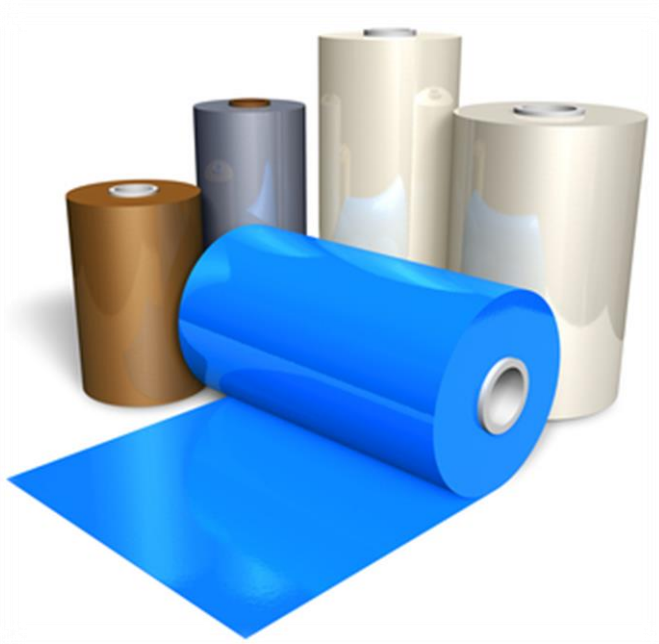

- Mono Layer Films
- Laminated Films
- Barrier Films
- Three-Side Sealed Bags / Vacuum Bags
- Quadro Sealed Bags / Side Gusset Bags
- Stand-Up Pouches (Doypacks)
- Top & Side Spouted Doypacks
- Retort Pouch
- Customized Shaped Pouches
- Baby Diaper Bags / Sanitary Napkin Bags
- Body Sleeves / Shrink Sleeves
- Self-Adhesive Labels

Type: **Mono Layer Films**

Material:	LDPE, MDPE, HDPE, BOPP, CPP etc.
Printing Type:	Flexographic print up to 10 colours Rotogravure print up to 10 colours
Feature:	Heat sealing wrapping for automatic packaging units
Special Applications	Full or partial perforation Shrink films Stretch films Lamination films
Area of Usage	General and/or food grade, personal care
MOQ*:	Contact with your customer representative

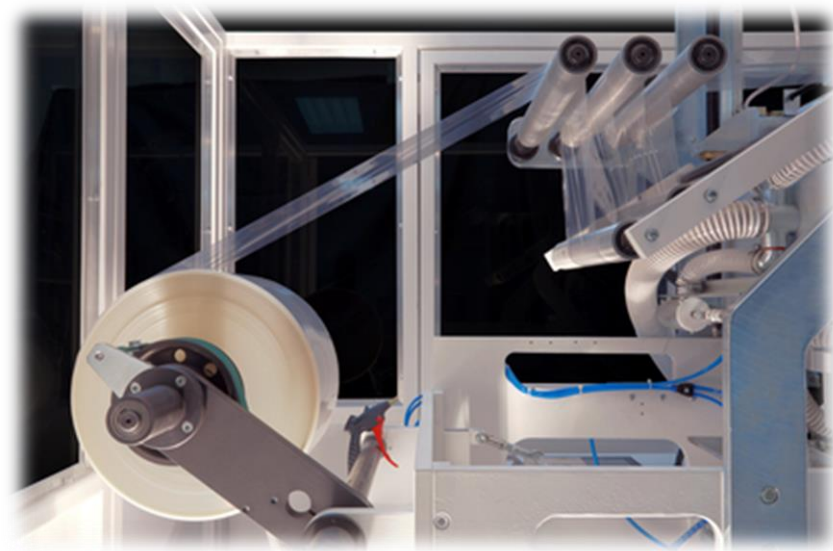

* Minimum order quantity

Type: Laminated Films

Material:	PET/PE, OPP/PE, OPP/PP, OPP/METOPP, PET/METPET/PE, PET/ALU/PE, PET/ALU/PA/PP etc.
Printing Type:	Flexographic print up to 10 colours Rotogravure print up to 10 colours
Feature:	Heat sealing wrapping for automatic packaging units, cold seal applications
Special Applications	Cold Seal application Cold or Hot Anti-Fog application Full or partial perforation Laser Scribing Easy tear Peelable Retort films (suitable for pasteurisation and sterilisation) Special laminates for aggressive products (such as wet wipes)
Area of Usage	General and/or food grade, beverages, personal care, cosmetics
MOQ*:	Contact with your customer representative

* Minimum order quantity

Type: **Barrier Films**

Material: PET/PE Evoh, OPP/PE Evoh, PA/PE Evoh, PAPE, PAPE Evoh, PAPP, PET/PAPE, PET/PAPP Etc.

Printing Type: Flexographic print up to 10 colours
Rotogravure print up to 10 colours

Feature: Flowpacks, top (lidding) foils, bottom foils

Special Applications: Provide moisture, oxygen, and aroma barrier properties
Extended shelf-life
Cold or Hot Anti-Fog application
High barrier with EVOH
Easy tear
Peelable

Area of Usage: Food, especially meat and cheese industries

MOQ*: Contact with your customer representative

* Minimum order quantity

Type: **Three-Side Sealed Bags / Vacuum Bags**

Material:	PAPE, PA/PE, PET/PE, PET/METPET/PE, PET/ALU/PE etc.
Printing Type:	Flexographic print up to 10 colours Rotogravure print up to 10 colours
Feature:	Vacuatable
Special Applications	Front and Back may be produced of different materials Cold or Hot Anti-Fog application Round corners optional Zipper available Laser Scribing Euro Hole (UFO Punch) High barrier with EVOH Tearing notches Easy tear Peelable
Area of Usage:	General and/or food grade, especially meat and cheese industries
Sizes & MOQ*:	Contact with your customer representative

* Minimum order quantity

Type: Quadro Sealed Bags / Side Gusset Bags

Material:	PAPE, PA/PE, PET/PE, PET/METPET/PE, PET/ALU/PE etc.
Printing Type:	Flexographic print up to 10 colours Rotogravure print up to 10 colours
Feature:	Vacuatable, side gussets
Barrier property:	Vapor, air, dust, oil
Special Applications:	Handles available Round corners are optional Valve optional (especially for coffee industry) Cold or Hot Anti-Fog application Front and top zipper is optional Laser Scribing Easy tear, Tearing notches Euro Hole (UFO Punch) Peelable
Area of Usage:	Food industry especially; rice, spice, coffee, dry fruit etc. Pet industry, pet food, cat litter
